Note:

[1] Maximum net deposit denotes the maximum amount that deposits exceeded withdrawals across a traders accounts during the relevant time period.

[2] Trading activity is for US exchange-listed securities or contract for differences on such.

[3] Earnings Trade defined as trade opened within three days prior to and closed after an earnings announcement.

[4] Earnings Event identified as a DFIN or Toppan Merrill earnings event if either the 8-K, 10-Q, 10-K, 6-K, 20-F, or 40-F filing associated with the earnings event was identified as having a DFIN or Toppan Merrill accession number.

[5] Profits of \$57,745 from Sladkov's 285685 account are removed from the calculation because no cash flow or account statements were available for that account.

[6] Return of the S&P 500 for the 1/1/18 - 9/30/20 time period was 25.7%.
